## **PRESS RELEASE**

April 5, 2019

### **Annual Spring Cleanup begins April 15**

GLENWOOD SPRINGS, CO – The City of Glenwood Springs will be holding this year’s annual Spring Cleanup event April 15 to May 17, 2019. Removal of non-hazardous debris and recyclable materials will occur by zone, with zone 1 pickup beginning on April 15, zone 2 on April 22, zone 3 on April 29, zone 4 on May 6, and zone 5 on May 13. Residents can enter their address to view their zone and corresponding pickup dates at [www.cogs.us/springcleanup](http://www.cogs.us/springcleanup).

Debris may not be placed in front of residences **any earlier than two (2) calendar days** prior to the assigned days. City crews will only make one trip through each neighborhood, so it’s important that all items are placed in the street in front of each residence by 7:00 a.m. of the first day scheduled pickup for each zone. The City will accept up to one personal sized pickup-truck load of non-hazardous debris and recyclable materials per residence.

This service is available to City of Glenwood Springs’ residents only. Please be sure to follow the information provided below and the zone map before placing debris in front of your residence. Those in violation of this ordinance are subject to a fine. Violations should be reported to the Police Department at 970-384-6500.

Residents are encouraged to remove dry branches and debris piles from their property during Spring Cleanup this year for fire mitigation purposes. Tree limbs must be cut shorter than six feet in length to be collected.

### **The City will not accept hazardous materials, including:**

- Paint, antifreeze, or gas
- Tires
- Waste motor oil
- Televisions, computers, or copiers
- Batteries
- Air cylinders or gas tanks

There will be a Household Hazardous Waste Collection Day on April 27, 2019. Please call (970) 945-5375 for additional information and to make an appointment. Individuals can begin calling on or after April 13 to make an appointment for the Hazardous Waste Day.

For a full list of regulations and reminders for Spring Cleanup in English and in Spanish, please visit [www.cogs.us/springcleanup](http://www.cogs.us/springcleanup).
