'Tubing on the Colorado' sculpture to be dedicated

GLENWOOD SPRINGS, CO – The City of Glenwood Springs invites community members to attend the dedication of “Tubing on the Colorado”, a sculpture made of Colorado Yule Marble that was created by local artist Madeline Wiener.

The dedication ceremony – at 11 a.m. on Friday, October 25, 2019 – will include light refreshments and activities for children and will take place on the North Landing site.

Madeline Wiener was selected to create this interactive sculpture for the former landing site of the old Grand Avenue Bridge on 6th Street.

Madeline lives in Colorado and has experience with creating public art throughout the United States. For more information on her work, visit www.madelinewiener.com.

This public art project is made possible by a generous grant from the National Endowment for the Arts (NEA) awarded to the City in 2018.
